Purpose of Indian Policies and Procedures (IPPs) Implementation

• Ensure that IPPs are implemented in compliance with the regulation
• Ensure equal participation of Indian children in LEA’s educational programs and activities
• Improve communication and cooperation between LEA and Indian community
• Involve parents and tribal officials in planning and developing educational programs and activities
The LEA must implement the IPPs.

The LEA will review the IPPs annually to ensure that they comply and are implemented in accordance with this section.

If an LEA determines, after input from the tribe(s) and parents of Indian children, that its IPPs do not meet the requirements of this section, the LEA shall amend its IPPs to conform with those requirements within 90 days of its determination.

An LEA that amends its IPPs shall, within 30 days, send a copy of the amended IPPs to the Impact Aid Director and the affected tribes.
The Impact Aid Program monitors LEAs for regulatory compliance and implementation. If the IPP standards aren’t met or implemented, IAP requires revision or action.

IAP will provide technical assistance or require corrective action to assist the LEA to achieve compliance prior to payment.

Corrective Action Plan can be described within the IPP Monitoring Questionnaire.
