Step 2 – Other Documents?

1. **A report of your total membership.** This includes all of the children enrolled in your school district ON THE SURVEY DATE.

2. **A report of your tuition-in children.** The number of children for which the LEA **RECEIVES** a tuition payment.

3. **A report of your tuition-out children.** The number of children for which the LEA **PAYS** another LEA to educate.

4. **Average Daily Attendance Data.** If your LEA used actual ADA or sampled ADA, and included summer school – provide a report showing the hours of summer school attendance and a report showing total days of instruction.
Case By Case Documents

- Annual financial report highlighting the numbers used to complete the application.
- A list of federally connected children with IEPs on the survey date.

Indian Policies and Procedures (IPPs)
A questionnaire that describes how your LEA implemented the IPPs.

Indian Lands Children

7007(a) or 7007(b)

Construction Funds
- Provide the sections of the annual financial report supporting the information on the application.
How Long Do I Have to Prepare?

The notification letter will specify how long you have to submit your data. It is typically 30 days.

30 Days?! Oh NO! -- What if I need more time? Your analyst may grant you an additional week at their discretion.

LEAs that fail to submit will be made ineligible.
How Do I Provide Documents
LEAs will upload the documents in the IAGS.

Need help? See the User Guide.

Virtual Reviews

- https://impactaid.ed.gov/Training

You will be able to upload many common document types, such as PDF, Word and Excel. There will be no size limits for the files.
We Have Given You All the Data – What Now?
After the Submission

1. Your analyst will review your data and record the findings in IAGS.

2. You will receive an email instructing you to log into IAGS to review the report.

3. You will have 60 days from the notice to provide any additional or corrected data to your analyst.
